Verses: F...Bb-F-C

Chorus: C-Bb-F-Bb-F-C-Dm...Bb-F-C-F-C

*Sunrise*

*The Son rises for me to be peace*

*Peace breaks the fear*

*And it is for all*

*So everyone can know*

*It is for all*

*A way of peace and love*

*Jesus*

*He is a way of peace and love*

*He is a home for every refugee*

*A place to rest when we are running away*

*He washes us when our eyes have seen death*

*He is our love when we have none left to give*

*Jesus*
